THE WEEK'S EVENTS IN LOCAL CIRCLES

Mr. and Mrs. J. W. Doxsee left luring the week, and are planning to visit Oregon, Washington and Canada before returning to Iowa.

Vernon Kreiss re-enlisted in the navy and left for Mare Island on Friday last. He entered the navy during the war and was discharged after the armistice. Kreiss is the son of Town Trustee George Kreiss.

Mrs. Alice Gallagher was a recent visitor at the George Davis home. She is the Portola school teacher.

Hull Brothers have received a large shipment of yellow mixing bowls. How long they will last no one knows, so call early and get your supply.

James P. Coleman returned from Seattle, Washington, on Sunday last bringing with him Joe Columbo, charged with the crime of wife abandonment. He deserted his wife at South San Francisco four months ago and fled to the north. Mr. Coleman was selected by Sheriff M. Sheehan to go to Seattle and bring back Columbo, who was in custody there.

Mrs. Harry Hallett received a letter from her son, Frederick A. Robinson, yesterday from New York which stated that the young man was around on crutches and none the worse of his recent mishap. Mr. Robinson is an aviator and was employed by the government in carrying the mail by air from New York to Cleveland, Ohio. Some time ago his plane took a nose dip and he fell 1000 feet. His pilot was killed instantly. He suffered a fracture of the bones of his righet leg above the ankle, had his nose broken and was otherwise severely bruised. Young Robinson who saw service in the aviation department of the army in France, was raised in Belmont and San Mateo. He says he will again enter the mail service. He is but 23 years old.

For the third time since the first of the year some miscreant attempted to rob the Eureka Restaurant on Main street. Monday night the transom over the door to the entrance to the eating house was noticed to be absent. It is believed that the thief was frightened off by a passer-by just as he was about to effect an entrance.

Mr. John Wisnom and family of San Francisco were Sunday guests at the home of Miles A. Sharkey on the Whipple road. Mr. Wisnom has served as head clerk of Golden Gate Camp Woodmen of the World, one of the largest camps in the Pacific Jurisdiction, for many years and is one of the most popular Woodmen in the state. Mr. Wisnom will attend the district convention to be held at Redwood City, May 19th as a delegate from his home camp.

Miles A. Sharkey who has been laid up at his home for the past two weeks with a badly sprained ankle returned to his work at the Spring Valley Water plant, San Carlos, last Thursday evening.

H. L. Williams and son yesterday received two car loads of hogs from Salinas to be fed at their ranch outside of town. The hogs are to be slaughtered in a short time.

Charles Lambert and wife departed yesterday for Los Angeles to be gone a month. While there they will be the guests of Mr. and Mrs. Barneson. The latter is a sister of Mrs. Lambert.

Lewis W. Pettingell of Daly City was here on Wednesday. Though a resident of that thriving city for a number of years this was Mr. Pettingell's first visit to Redwood City. He was much impressed with the city.

Major Walsh, son of General Walsh retired, and nephew of A. D. Walsh, was here on a visit to his uncle during the week. He saw service at the front in France and is now the commander of Mather Field at Sacramento.

J. J. Bullock is in Colusa on important business and will not return until early next week.

A baby girl was born to Mr. and Mrs. B. E. Myer at the St. Francis Hospital in San Francisco early Sunday morning, May 2, 1920. Professor Meyer, teacher of the commercial department of the local high school, is naturally very proud of the little girl and is receiving the congratulations of his many friends in Redwood City.

Edward Tpite, who has been the foreman for his brother, Thomas Tuite, at the Palace market for the past six years, will leave on the latter part of next month for his boyhood home in Dublin, Ireland. He will return to California after an extended stay in the old country.

JOHNSON LEADS HOOVER IN SAN MATEO COUNTY OVER TWO TO ONE VOTES

Hiram Johnson swept San Mateo county last Tuesday defeating Herbert Hoover by a vote of nearly three to one. About sixty per cent of the voters came to the polls. The registered vote of the county was a little over 12,000 and of these about 8050 came to the polls. In some districts the voting was heavy while in other places it was light. Hilsborough proved to be the banner precinct for Hoover, his vote being 130 to 49. Johnson had two banner precincts, Redwood City No. 1 which gave him 73 votes to Hoover's 7 and San Pedro precinct which gave Johnson 27 and Hoover 2.

Johnson carried 75 precincts and Hoover 6. The Hoover precincts were Hillsborough, La Honda, Granada, Burlingame Nos. 8 and 9 and San Mateo No. 13. The democrats only cast 242, they nearly all voted for Johnson. The total vote received by Johnson was 5495 and the total for Hoover was 2131.

The board of supervisors on Thursday canvassed the returns of the county and the following is the official vote:

EFFICIENCY OF COUNTY CLERK MRS, E. NASH

County Clerk Mrs. E. M. Nash is to be commended for the able and efficient manner in which she handled the numerous details in getting out the supplies for the recent primary election. These supplies including the precinct registers were at every precinct on time. There was not a hitch in the procedure. Her efficiency was shown in the big registration of voters. There was not a single error in the register, the name of every voter was properly tabulated. Mrs. Nash has received many congratulations from all parts of the county on her splendid work.

THE PALACE MARKET HAS CHANGED HANDS

Lauridsen Brothers, formerly butchers of Palo Alto where they conducted a large meat market for ten years and who recently sold their business there, have purchased the Palace Market on Main street from Thomas Tuite. They will conduct a cash business and will deliver no orders, dividing their profits, thus made, with their customers. They are good business men with plenty capital to carry on a large business.

The brothers have leased the building in which the market is located for a period of three years. Mr. Tuite has conducted the market with success for the past fifteen years and has accumulated a snug fortune by hard work and a strict attention to business. He contemplates making a tour of the state and to make a trip to his former home in Ireland, accompanied by his family, next fall. Mr. Tuite retires with the best wishes of all. The Tuite block on Main street is among his holdings.

PLANS HAVE BEEN PREPARED FOR NEW POST OFFICE

George E. Graft, the owner of the old Handley block on the corner of Winslow street and Broadway, has plans prepared for the new post office building and garage to take the place of the old structures now on the property. The old Bell stable and adjoining building have been purchased by the Fox-McNulty Lumber company and will be shotrly moved to the concern's new headquarters on Arguello street.

The buildings must be removed during the month. The company has also bought the old Handley home which will be wrecked shortly. It is understood that the government has accepted the plans of the proposed post office building and has entered into a lease and will occupy the structure the first of September. The post office will be a large one-story building, modern in every way.

A petition was started by the downtown business men during the week to be forwarded to the postmaster general at Washington, asking that the post office be retained nearer the business center. It was liberally signed, but if the lease has been entered into, as rumored, the petition will be of no avail.

MAY DAY CELEBRATION WAS A RED LETTER DAY

There is no doubt but that the Aviation Day celebration last Saturday drew to Redwood City the largest crowd that has ever assembled here for any event. It was the greatest day in the history of this city. All portions of the county were represented. The affair was under the auspices of the local Post of American Legion. The members deserve much credit for the manner in which they prepared and conducted the event.

There was not a hitch. Even the weather was favorable.

The parade was the finest ever seen in Redwood City. The floats were beautiful and the military effect was inspiring. The committee having the affair in charge deserves much credit for the way in which the program was carried out.

The amusements in the aviation field in the afternoon were largely attended.

The following runners won prizes:

The awarding of the prizes for the parade followed the foot racing and was officiated over by Hon. Judge Geo. H. Buck of San Mateo county. The Judge made a brief talk before making the awards and said in behalf of the committee that the choosing of the winners had been no easy task, as each and every entry in the parade had helped to form one of the finest exhibitions ever before held in the county. After much deliberation the committee made the following awards:

Best decorated automobile, Olive Branch Degree of Rebekahs; best drilled military or naval organization, Twelfth Naval Reserve Unit; best showing fraternal organization, Improved Order of Red Men; best American Legion turnout, Redwood Post, No. 105; best military school showing, Warren school of Menlo Park; most original turnout, Carpenters' Union, Redwood; best showing of Boy Scouts, Redwood Post; best float, Sequoia High School, Redwood.

HIRAM W. JOHNSON RECEIVED A BIG MAJORITY

The overwhelming vote received by Hiram W. Johnson on Tuesday last Tuesday demonstrates his popularity in California and also shows that the things he stands for or the things the people of the state want. The Senator's opposition to the League of Nations apparently meets with the approval of the people of the state.

San Mateo county, as usual, rolled up a big vote for the Senator, the majority over Hoover being three to one. The Times-Gazette takes some little credit for the big vote. It gave freely of publicity for months past and it had the desired effect. It looks now as if Mr. Johnson would capture the presidential nomination at Chicago next month.

SUPERVISORS HOLD BUSY SESSION

Attorney J. J. Bullock of Redwood City presented a petition signed by more than twenty-five residents and tax-payers of the Homestead near San Mateo, asking for the formation of a lighting district at that place, with provisions for nine lights.

E. A. Husing of San Mateo was sworn and testified that he had circulated the petition and that the names thereon were all bonefide residents of the district.

A. Honerlach was also sworn and testified as to the above facts.

A resolution prepared by Attorney Bullock and calling for the granting of the petition and the setting of the date for the holding of the election in the matter, was adopted by the board, on motion of Hickey, seconded by Thompson.

Three sets of plans were submitted by architects for the new county hospital that is to be erected at Beresford, this being the day set by the board for receiving the plans.

On motion of Hickey, seconded by Thompson, the plans were ordered sealed and locked up in the vault of County Clerk Elizabeth M. Nash until the meeting of the comimttee on awards appointed by thes upervisors.

The board took up at this time the matter of the resolution presented at the last meeting by R. F. Chilcott for the Mercantile Trust Company of San Francisco asking for the opening of Arroyo avenue at San Carlos, between Chestnut street to the State Highway. A petition signed by Mrs. Marion A. Lippman and 25 other residents of the above place, protesting against the opening of the avenue was received and filed.

Fred W. Lippman was sworn and testified that he had circulated the above petition and that the signatures thereon were boni-fide residents of San Carlos.

Mrs. Lippman addressed the board against the opening of the thoroughfare unless the entire avenue was opened.

R. F. Chilcott, representing the Mercantile Trust Company, presented a map and certain data pertaining to the dedication of the avenue. He explained that the company was carrying on considerable improvement work at San Carlos, that it was desired to include the grading of Arroyo avenue in this improvement.

J. V. Clark and Robert E. Johnston were sworn and testified that on several occasions they had driven over the avenue, between Chestnut and the State Highway.

R. F. Chilcott, manager for the Mercantile Trust Company, addressed the board in regard to the street improvements and community developments planned by the company.

After explaining that the avenue and streets in San Carlos, including Arroyo avenue, had been dedicated to public use in 1888, R. F. Chilcott asked that the resolution that had been presented by him calling for the opening of the latter thoroughfare be adopted and that all obstructions thereon be removed.

Chairman MacBain took the stand that the matter was one for the courts to settle adn not the supervisors, and after District Attorney Swart had been consulted, it was decided, on motion of Hickey, seconded by Mrs. Brown, that the question be placed in the hands of District Attorney Swart for a legal opinion to be submitted on May 17.

A petition signed by Walter Stettheimer, Dr. E. W. Westphal and Matt Harris, was received, asking the board to have shade trees planted on the north side of Selby Lane in the Third township.

The matter was referred to Supervisor MacBain, on motion of Hickey, seconded by Thompson, with power to act.

The returns of the South San Francisco grammar school election held on March 26th, 1920, for the purpose of voting on a special tax levy amounting to $9,600, were received showing that there were 255 votes cast in favor of the proposition and 228 against.

A communication was received from the North Burlingame Community Club, urging the board to take up the matter of securing rights of way for the proposed new highway on the east side of the Southern Pacific railroad tracks, between Palo Alto and San Bruno, as advocated by the late Supervisor W. H. Brown several years ago.

On motion of Mrs. Brown, seconded by Hickey, the chairman was empowered to appoint a committee of two members of the board to take up with the State Highway Commission the matter of securing funds to finance the project, it being explained by the iachrman that there was no available funds in the county for the above purpose. Chairman MacBain named Supervisors Mrs. Brown and Hickey to act on the committee.

A communication was received from Arnold Foster, assistant treasurer of the Bethlehem Shipbuilding corporation, complaining that motorists were violating the State Automobile laws on the State Highway between San Mateo and Mountain View in not having the proper lights on their machines.

Mrs. Nash, the clerk, was directed to answer the communication and advise the writer that San Mateo county has no jurisdiction oh the highway below the San Francisquito bridge, and that as far as this county is concerned, the board is doing everything within its power to compel the enforcement of the motor law.

A communication was received from United States Senator James D. Phelan, enclosing a copy of a letetr he had received from the assistant secretary of the Treasury department relative to the removal of the Base Hospital near Menlo Park, as requested in a resolution adopted by the San Mateo county board of supervisors some time ago an dsent to the authorities in Washington. The letter from the assistant secretary of the treasury department stated that every effort had been made to secure another site for the hospital, but so far no suitable one had been found, so that it would be necessary to have the institution remain where it now is. Enclosed with Senator Phelan's letter was a copy of a resolution adopted by the Palo Alto Chamber of Commerce, in which that body urged the retention of the hospital in its present site.

The communications were received and ordered filed, on motion of Hickey, seconded by Thompson.

Charles C.Cole, an attorney, representing the electrical workers of San Mateo county, addressed the board in the matter of having an ordinance drafted providing for the licensing of all electrical inspectors.

M. E. Ryan of Redwood City and E. W. Florence, Redwood manager of the Pacific Gas and Electric company, also spoke in favor of the above proposition.

Following considerable discussion, the matter was left in the hands of Attorney Cole, who agreed to frame a suitable ordinance covering the situation and present it to the board later for consideration.

SAN CARLOS ITEMS

JOHN E. COWGILL, CORRESPONDENT

Ernest Werder the popular purchasing agent for San Mateo county was in San Carlos on official business last Monday.

Mrs. Marie Epstein has returned to her home in Santa Maria after a fortnights' visit with her friend Miss Beatrice Juneau.

Mr. H. Barnet of Santa Cruz and the sales agent for the Globe Clothing company, was a business visitor last week. Mr. Barnet is an old friend of Frank Eckart who rendered himself so popular as agent for the S. P. Co. at Redwood City some years ago.

Mr. and Mrs. C. E. Wilson visited friends in San Francisco for the week-end.

Mr. Fred H. Drake manager of the San Carlos properties has assured the residents that Arroyo avenue will be kept open from Chestnut street to the State Highway. That there is no law on the statutes of California that would permit this beautiful boulevard to be kept closed against the wishes and protests of the people of San Carlos.

In reply to his request that certain trains that are carded to stop at San Carlos only on flag be made regular stop trains the S. P. agent has received the following letter from Supt. Ahern: "Referring to yours of April 27th, relative to making stop on trains 37, 39, 41, 65, 45, 29, 49, westbound, 44, 48, 50, 52, east-bound on next timetable. This matter will be given consideration when next timetable is being made and in view of the few trips made by any of these trains at which stop is not made at San Carlos, the probabilities are that regular stop instead of flag will be put in effect on the new timetable. As to stopping No. 31 on Sunday only have recommended that this be done and expect to hear from recommendation within the next few days when you will be advised."

The westbound trains are those due at San Carlos at 6:37 a. m., 7:05 a. m., (7:50, Sunday only,) 8:10 a. m., 8:49 a. m. and 1:32 p. m. (3:27 Sunday only.) The eastbound are due at 5:17 p. m., 6:00 p. m., 6:15 p. m. and 6:32 p. m. This will prove a matter of great relief to the commuters to and from San Carlos as they will not run the risk of being left on the station platform to wait for the next train nor will they be carried by to Redwood City for a dreary wait for the next bus or train to come back to San Carlos.

At the meeting of the school board last Saturday evening, the first meeting since the election, Mr. Fred T. Odgers who succeeds Mr. Clarence E. Haydock, was unanimously chosen clerk of the reorganized board.

Miss Beatrice Juneau left last Tuesday for a week or ten days visit with her friend, Mrs. Epstein at Santa Maria. Miss Juneau assured the young folks that she would return in time to patronize the big Legion dance at the school house Saturday evening, the 15th.

The people of San Carlos are becoming more and more to appreciate that they should give their patronage to the Southern Pacific railroad company, which provides them with such splendid facilities, with space for the post office, as against the Peninsula Transit company which supplies no conveniences whatever for the accommodation of their patrons, and whose busses are not so safe and comfortable as are the upholstered passenger coaches of the railroad and whose ten and 30-ride commute fares make the service equally as cheap.

Mr. W. S. Oke went over to Oakland last Saturday for a two weeks' visit at the home of his daughter.

The express agent here has adopted ar unique plan by which he can compete with the auto express service which delivers parcels at the homes. The express agent has established a semi-free delivery service from the station to the home by permitting the patrons of the express company to couple the four-wheel platform truck to their autos and use as trailer for bulky and heavy shipments to and from their homes.

The street committee of the San Carlos Community Club has engaged Attorney Franklin K. Swart to prepare papers in the formation of a sanitary district for San Carlos.

The regular meeting of the San Carlos Community Club will be held at the school house at 8 p. m. Wednesday the 12th.

All San Carlos is rejoicing and are very happy over the great success of their first effort to have part in a great celebration and entertainment such as that of last May Day in Redwood City. We believe it quite natpral for them to feel that when their mammoth coral piece on wheels was furnished and their daintily dressed youngsters, all animation with the breath of spring, were properly drawn by four prancing horses artistically caparisoned in the colors with the reins in the hands of our only farmer eligible, the last word had been said and their rural offering, (a truly May Day coat,) was harmonious and complete. And the whole-hearted and enthusiastic reception accorded their first offering by the people of Redwood City and the crowds along the line of march was muchly appreciated by all those from San Carlos who were privileged to participate in this festival day of the season, and particularly by those who had had so much to do in making it possible for our little town to be represented in such a splendid way. Nearly all of the mothers of the San Carlos children devoted much of their time and effort toward the building and decorating of the big coral art piece, but a greater part of the credit belongs to Mesdames Anson C. Hulbert and Jno. V. Clark and Mr. Clark who, with Mrs. Hulbert and Mrs. Clark devoted almost their entire time to the work from early morning until late at night until the coat was finished on the morning it entered the parade at Redwood City. Mrs. Mary E. Quinn chairman of the committee for San Carlos desires to extend her sincere thanks to all those who gave of their time and effort in making the San Carlos representation the success that it was. Mr. Fred H. Drake for his financial donation and other assistance, and to Mr. Asa E. Hull for his wagon and horses and for his piloting the caravan of precious freight safely to the finish of a perfect day.

Asa E. Hull and his sister, Mrs. R. J. Shields went over to Berkeley last Thursday to attend the funeral of Mr. L. P. Crawford an old friend of the Hull family whom they have known for many years.

HOOVERICALLY SPEAKING

The cheapest vacuum cleaner is one that will perform extra services—in other words, one that will do more than merely clean the surface of your carpets. Just pause here a second, and read what Hoover Suction Sweeper will do, and then you will understand why the Hoover is considered to be one of the best machines ever invented.

1. It raises the nap on your carpet.
2. It brightens the color, by brushing up most of the sand and lint that mere suction won't touch.
3. It lengthens the life of your carpet because by brushing up the sand the nap is not cut and mashed by the grinding together of these sharp cutting surfaces.
4. It has a special enclosed motor, that does not get full of dirt and necessitates extra attention frequently.
5. It uses the minimum abount of current from your light socket, and thus is economical in operation.

You can not do better than to investigate the Hoover, see what it will do, and then you will want one.

MENLO PARK NEWS OF ALL SORTS

Doings at Peninsula Garden Spot As Told in Breezy Style, By Our Reporters

John MacBain has commenced the erection of a cozy dwelling for Frederick Kempff and wife in the old Selby tract on the highway at Atherton. The structure is to be completed by July 1 and will cost close to $7,000.

Miss Rena Cox of San Francisco will be united in marriage today in Mission Dolores church to Joseph McCarthy, a wealthy farmer of Modesto. She is the daughter of James Cox, a former resident of Menlo Park. Her mother was formerly Miss Mary Maloney, who was born and raised here.

Miss Mamie O'Dea is quite ill at the Southern Pacific Hospital in San Francisco. She was operated upon recently. For a time her illness gave her relatives much concern. The reports from the hospital last evening were that she was improving.

Arthur Thompson has moved his barber shop from the Morey-Maloney poolrooms to the quarters occupied during the war by Mr. Baker, photographer.

Mr. and Mrs. John Lee announce engagement of their oldest daughter, Miss Lola Lee, to Millworth Hunkin, son of Mr. and Mrs. William J. Hunkin of Cleveland, Ohio. The marriage will take place in September. The young people both attended Stanford. Miss Lee was a graduate in the class of 1919. Mr. Hunkin was transferred from Cornell to Stanford and is now taking a special course there. Miss Lee is one of the popular belles of Palo Alto and is one of the leaders in sports, particularly tennis and golf. Her mother, formerly Miss Mary Golder, was born and raised in Menlo Park and grew to womanhood here.

Mrs. Arthur O'Neill will depart today for her girlhood home in Bonnie Scotland to spend two months. A dinner was given in her honor at Redwood City by Mrs. Harry B. Morey, Sr., during the week. There were six guests at the dinner.

C. A. Emise and family leave today for New Jersey. The Richard Girvin, Sr., home at Atherton has been occupied by Mr. Emise for the past seven months. t has been rented to San Francisco parties for a year. The Girvins are in Europe.

E. H. Williamson, a prominent resident of the Coleman tract, received a letter from Senator James D. Phelan yesterday, stating that the government ha ddecided not to move the base hospital and intimated that the instituion migh be permanently located at Ravenswood. The letter stated that the governmen had tried to secure another location, but failed, then too, the sum of $150,000 was spent on the buildings and the department was taking that into consideraion.

Camp Fremont will be no more after today. A large canning company has taken over the warehouses. The equipment of the fire department will be hauled in trucks to the Presidio and the chief, Jack Hallahan, will be out of a job. The watchman and guards are to be dismissed today. For several days the Prince Canning Company of Oakland and San Jose has been drilling a well back of the warehouses, so it would seem as if that concern has taken over the buildings. It was rumored yesterday that it had secured an option on 800 acres of land adjoining the buildings for the cultivation of tomatoes, peas and other vegetables. The industry promises to be a big thing for Menlo Park.

Some time during the last few days the receptacle for collecting money for the relief of children suffering with tuberculosis was stolen from the lobby of the postoffice. The postmaster asks the person who removed it to kindly return the bottle and fixtures immediately, including the card of appeal, otherwise he will have no trouble in replacing the amount taken. The ladies in charge will have to be informed that we have the meanest thief in the world in our midst. The articles may be left at any place the holder desires and no question will be asked.

Thomas A. Casey, the well known shoe dealer, passed away at the Huling Hospital at Redwood City last Sunday afternoon, following a long illness caused by diabetes. He was devoted to his father, Dennis Casey, who passed away about two years ago. He began to decline after the demise of his father, gradually becoming worse. He was removed to the hospital last Saturday and at 5 o'clock on Sunday he breathed his last. Mr. Casey was born in Pittsburg, Pa., about 59 years ago. Coming to California with his mother in 1879 he lived for a time in San Francisco, afterward he came to Menlo Park, where he has since resided. He was an unassuming man, honored and admired by all who knew him. The funeral took place on Tuesday morning from the Church of the Nativity. Interment was in Holy Cross cemetery. The following relatives and old time friends acted as pallbearers: John McCann, James T. O'Keefe, Joseph Wise, D. E. O'Keefe, Edward Lawler and J. Walker. Joseph Wise, Mr. Casey's foreman for a long time, will conduct the business. Mr. Casey was unmarried.

THE HOOVER MEETING

The Hoover meeting in the assembly hall of Sequoia Union High School Thursday evening was a success in every sense of the word. All of the seats were filled and an enthusiastic audience greeted the speakers of the evening. C. M. Doxsee, president of the local Hoover Republican Club, was in the chair and in a few well chosen remarks told why he is for Hoover. He then introduced Dr. Ray Lyman Wilbur, president of Stanford University. Dr. Wilbur told in simple words of his long association with Herbert C. Hoover. He made no attempts at oratory, but told the story of an honorable, well spent life which is just now in the fulness of its usefulness. He told of the many great deeds that Herbert Hoover has performed and described the manner of man he is. He told of the task he had in saving the people of Belgium from starving and painted a word picture of the 3,000,000 children of Europe who are now being fed because of the work of this great man. There were frequent bursts of applause as Dr. Wilbur brought out some facts and there were also times when the hearers were close to tears as they saw the little things that have meant so much to the sticken people across the sea who can thank Herbert C. Hoover for what they are and for their very lives. It is doubtful if there has ever been a more effective political meeting in Redwood City. There was no hip, hip, hurrah but there was much of genuine thought material passed out which will result in a good big vote for Herbert C. Hoover next Tuesday.
